CALFED Bay-Delta Program

Subject: Informal Stakeholder Meeting with Secretary Babbitt and Chief of Staff George Dunn

You are invited to attend a meeting with Interior Secretary Bruce Babbitt and Governor Wilson's Chief of Staff, George Dunn, next **Tuesday afternoon, December 1**. This meeting is one in a series of informal meetings being convened with Secretary Babbitt and Chief of Staff Dunn, as well as a member of Governor-elect Davis's transition team, regarding various aspects of the CALFED Bay-Delta Program.

The meeting on December 1 will focus on CALFED's Water Quality Program and the approach for Delta conveyance. At this meeting we will revisit the concerns raised on this topic at the November 10 meeting with Secretary Babbitt and Chief of Staff Dunn. We will also continue to solicit your input and perspectives in order to assist federal and state decision-makers in refining CALFED draft Phase II Report to be released in December 1998.

The meeting will be held at the **Los Angeles Airport Hilton (near LA International Airport) from 1-5 p.m.**

Please notify Robin Jenkins at the CALFED office at (916) 657-2666 as soon as possible as to your availability. Please note that if you are unable to attend, no substitutions will be permitted. Thank you in advance for your willingness to participate.
